

# DANCE TEACHERS NEEDED!

Groove With Me is a non profit in East Harlem that utilizes FREE after school and summer dance classes to promote and encourage positive youth development among girls ages 4-18.

## WE'RE LOOKING FOR...

### A. FULL YEAR VOLUNTEER TEACHER

- A full year commitment (Sept-June) is required
- Must attend mandatory teacher training (Sept 19th)
- Opportunity for your students to perform at community events
- All styles of dance are welcomed!

### B. SUBSTITUTE VOLUNTEER TEACHER

If you want to be involved, but have a schedule that does not allow you to commit to a full year, we are always in need of dancers who can fill in and sub a dance class when the regularly scheduled teacher is unable to make it

### C. TEMPORARY VOLUNTEER TEACHER

If you cannot commit to any of the above but want to get involved, we have plenty of other opportunities such as 1 day volunteering, chaperoning, Young Professional's Committee, etc

If any of the three opportunities interest you, please send us your most recent resume and what your preferences are for the following:

- Style of dance
- Age group
- Day of the week
- Time slot
